Answer: B

[Page 128]

Q5. Where should you place the AuthorizationMiddleware when defining a middleware pipeline?

- A. after the RoutingMiddleware
- B. before the EndpointMiddleware
- C. after the StaticFileMiddleware
- D. after the RoutingMiddleware and before the EndpointMiddleware

Answer: D

[Page 130]

Q6. Which of the ways to define these URL-endpoint mappings in your application?

- A. Using global, convention-based routing
- B. Using attribute routing
- C. Using hard-coded routing
- D. Using file-based routing

Answer: A, B

[Page 130]

Q7. Which attribute is for attribute-based routing?

- A. [Url]
- B. [Route]
- C. [Map]
- D. [MapRoute]

Answer: B

[Page 130]

Q8. _____ is a small contiguous section of a URL?

- A. A pattern
- B. A segment
- C. A route value
- D. A block

Answer: B

[Page 132]

Q9. In the following route template, which one is the literal segment?

product/{category}/{name=all}/{id?}

- A. product
- B. category
- C. name=all
- D. id?

Answer: A

[Page 138]

Q10. In the following route template, which one is the required route parameter?

product/{category}/{name=all}/{id?}

- A. product
- B. category
- C. name=all
- D. id?

Answer: B

[Page 138]

Q11. In the following route template, which one is the optional route parameter with default value?

product/{category}/{name=all}/{id?}

- A. product
- B. category
- C. name=all
- D. id?

Answer: C

[Page 138]

Q12. In the following route template, which one is the optional route parameter?

product/{category}/{name=all}/{id?}

- A. product
- B. category
- C. name=all
- D. id?

Answer: D

[Page 138]

Q13. How do you specify a custom route for a Razor Page?

- A. Using @page directive
- B. Using @route directive
- C. Using @redirect directive
- D. Using @url directive

Answer: A

[Page 137]

- A. @page "/checkout"
- B. @page "{category}/{name}"
- C. @page "/product/{id:int}"
- D. @page "search"

Answer: D

[Page 137]

Must include the "/" at the start of the route]

Q15. Which route template uses a route constraint?

- A. product/{category}/{name=all}/{id}
- B. product/{category}/{name}/{id?}
- C. product/{category}/{name:length(6)}/{id?}
- D. product/{category=beverages}/{name}/{id?}

Answer: C

[Page: 140]

Q16. Which one of the following does not match the {qty:int?} segment?

- A. null
- B. -123
- C. 0
- D. 123.00

Answer: D

[Page 141]

Q17. Which one of the following route templates use catch all parameter page?

- A. "{currency}/convert/{**others}"
- B. "{currency}/convert/EURO/USD"
- C. "{currency}/convert/{others?}"
- D. "{currency}/convert/{from}/{to=USD}"

Answer: A
